hot sex for you and me

hacking for hot holes

"Is it long?" the hot blonde asked.

Unfortunately, she wasn't inquiring about my dick. Rather, the hot blonde was asking about the length of the novel on her course syllabus.

The book in question was a monster tome, a regular doorstop of classic literature. I almost didn't have the heart to tell her. Poor girl. She was in for a real slough.

Had the book been good—well, her task wouldn't have been so daunting. But the book was a boring piece of shit. Bloated. Longwinded. Pretentious. The author should have been drawn and quartered for subjecting the reading public to such torture.

I had read the thing as a student just a few years prior. Now I left my post behind the cash register and hastened to the classics section where I plucked the thick volume from the shelf. I returned to the counter and proffered the book. Her face said it all; she looked like she had just received a cancer diagnosis.

Sighing wearily, she flipped the pages and shook her head with dismay. "I should have never majored in English. What in the world was I thinking?"

"I was an English major," I told her, "before I started working here . . ."

"Here" was the campus bookstore where I had recently been promoted to assistant manager.

"Where did you go to school?" she asked me.

"I went here," I replied truthfully.

Her face lit up. "So," she said, "I guess you know all about Hard Ass Hardwick?"

I did. Hardwick was the toughest professor in the English Department, a real ball buster. I would have failed his class had it not been for Jeff's computer hacking skills. Jeff, my hopelessly nerdy roommate, had gained access to Hardwick's computer. All this to say that I knew my professor's test questions beforehand, saving me much time and effort when studying.

Good old Jeff. Thanks to him I aced Hardwick's class. And fucked damned near every hot English major on campus!

My nubile classmates had been more than willing to ball me in exchange for the test questions. Hell, I had even convinced a few of them to screw Jeff. It was the least I could do for my socially awkward roommate.

All of this had happened during the final semester of my senior year. Now, three years later, I was still enjoying the fruits of Jeff's labor. Hardwick had failed to change his test questions. And I had them, every last one, in my possession . . .

These days, instead of fucking my classmates for the coveted information, I fucked my customers. The hot ones, anyway. And the blonde certainly qualified.

You should have seen her face when I told her that I possessed Hardwick's test questions! Priceless! I had seen that same expression many times while working at the campus bookstore; it invariably led to a mind-boggling sexual encounter with a slutty coed looking for an easy A.

"Would you be willing to share?" she asked me.

"Maybe. It all depends."

"On what?"

"Meet me after work for a beer," I said, "and I'll tell you . . ."

I learned a lot about the hot blonde at a popular off campus bar. Her name was Helen. Junior. Cross-country team. She hoped to teach and coach after graduation. Most importantly, she was down to fuck.

No sooner had we gone back to her dorm than she crouched before me and freed my prick. Helen wowed me

She jerked me slowly. Good girl, Helen, I thought. We wouldn't want me to pop off too soon. Oh no. Because I intend to fuck that tight little coed cunt of yours.

with her oral talents, starting off by licking my ball bag before gliding her tongue up the length of my shaft.

"Oh, yeah," I groaned when she reached my glans.

Taking me in her mouth, she proceeded to service me with a frenetic pumping motion. Her moist lips sealed around my cock, she sucked me with slutty perfection, jerking her head to-and-fro.

I stood there, my gaze torn between the top of her blonde head and the dorm room. One side of the room was neat, the other a total mess. I wondered which side was Helen's. She gave sloppy head, sure, but that didn't necessarily mean that she was a slob in other areas.

I was pondering this when Helen withdrew her mouth from my dick and started sucking on my nuts; this while stroking me with one hand. She jerked me slowly. Good girl, Helen, I thought. We wouldn't want me to pop off too soon. Oh no. Because I intend to fuck that tight little coed cunt of yours.

Helen came up for a breather. "Are you ready to fuck me, baby? I sure hope so. Because I'm ready to fuck you."

Turns out she was the slob. Having undressed, she lay on her unmade twin bed and spread her legs. Befitting a collegiate cross-country runner, Helen was lean and taut. Her tits were of the itty-bitty variety, scarcely more than conical brown nipples. Her ass was amazingly trim and compact. And that kitty of hers . . . well, it was really something else—A shaved pink gash just begging for my throbbing member.

"Stick it in," she murmured breathily.

Stepping around my discarded clothes on the floor, I moved toward her. Sprawled there on the bed, she panted and rubbed her cunt. I knelt and pushed her hand aside. Then I pressed my lips to her pussy. She writhed in response, writhed and sighed dreamily.

I licked and lapped her cooze; all the while diddling her clit with my fingers. This drove Helen wild with excitement, prompting her to demand that I fuck her in earnest. Hers was one of the tightest cunts I had ever had. And I pounded it good and proper, plunging my pecker with a savage thrusting motion . . .

Helen raised her knees. "Ahhhhh! Ohhhhh! Fuck that pussy!"

I gave her a few more jabs, then pulled out and flipped her over. Assuming the doggy position, she raised her flawless runner's ass. Flawless, that is, if you like them skinny and firm, which I did.

"Ram it in there," she said to me over her shoulder. "Make my pussy come, baby."

I grabbed her bony hips and sank my schlong into the snug depths of her twat. I banged her from the rear for a good five minutes before pulling out and dumping my load all over her ass.

"Now," Helen said after she had recovered, "how about those test questions?"

"Give me your email," I told her. "I'll send them to you as soon as I get home . . ."

And I did.

I'm nothing if not a man of my word.

Fortunately, that wasn't the end of things for Helen and me. A week later she stopped by the campus bookstore and told me that one of her friends—some chick named Lana who had benefitted greatly from the test questions—wanted to meet me.

"You shared them," I remarked.

"Of course," Helen said. "I'm a generous gal. Besides, Lana is a good friend. We go way back."

"She wants to meet me, huh?"

Helen smiled impishly. "We can hang out, the three of us. It'll be fun. What do you say?"

. . . the three of us, I thought, liking the prospect a whole hell of a lot.

"I'm game," I told her.

"Great," she replied.

We met that night at a different bar, a dive joint popular with the artsy crowd. Unfortunately, it was open mic night. A

That grippy twat of hers clenched me like a warm and soft vise, prompting me to fuck her with everything I had. She moaned and groaned as I pounded her pussy,

wannabe Beat poet read bad poetry. An unfunny standup comic bombed. A hippie acoustic guitarist wasn't half bad, until he started singing.

"This is sad," Helen said after draining her second pint of beer.

"Yeah," said Lana. "Let's get out of here."

They certainly didn't have to twist my arm. Ever the gentleman, I paid the tab and followed them out to the street where we all piled into Helen's car.

A short drive later and we were at Lana's apartment. It was a nice place, cozy and tidy. She said she lived there with her little brother who was a freshman. "My parents wanted me to keep an eye on him," she explained. "You know, make sure he studies and doesn't party too hard . . ."

"Speaking of party," Helen said. "Let's get this one started . . ."

Next thing I knew they were taking turns sucking my dick. Crouched on the floor in front of me, they had moved the coffee table out of the way before getting undressed and giving me head. Now Lana licked my balls while Helen slathered my shaft with her tongue. This went on for some time before they pulled a switcheroo, Lana gobbling my cock as Helen sucked on my ballbag.

Good old Jeff, I thought. His computer hacking skills had changed my life for the better. With Hardwick's tests in my possession—well, I was all but guaranteed a steady stream of coed pussy.

Hacking for hot holes, I thought amusedly, making a mental note to call my old friend long distance and thank him once again for helping me out.

Presently Helen and Lana rose from the floor and told me to scoot over. I kicked off my shoes and pants, then moved to the end of the sofa. Helen lay there, her head resting against a throw pillow on the opposite end, her lean runner's legs spread wide. Lana knelt on the floor beside the sofa and licked her friend's pussy. I stroked myself, prepping my prick with a deft jerking motion.

Lana peered at me and smiled; her lips were moist with Helen's cunt juice. "Come on," she told me. "Get over here and fuck this pussy with that big hard cock of yours . . ."

I lay on top of Helen and pushed inside her. That grippy twat of hers clenched me like a warm and soft vise, prompting me to fuck her with everything I had. She moaned and groaned as I pounded her pussy, turning her head to the side to watch Lana who had dropped into a chair to masturbate.

One leg draped over an armrest, the other angled to the side, Lana reclined and diddled her cunt; she panted, moving her fingers faster and faster as I fucked her friend. Just like in her dorm room, Helen raised her knees as I banged her box. I managed to make her come before pulling out and walking toward Lana.

"Turn around," I told her.

Smiling lewdly, Lana did just that. Her knees pressed to the seat cushion, her beautiful backside framed for a through reaming, she said, "Stick it in my ass, baby. Fuck me good . . ."

I spread her cheeks with my hands and slipped my engorged glans inside her tight bunghole. She moved her ass toward me, bit by bit, as I pushed inside her. It wasn't long before I was all the way in and pummeling her pooper like a man possessed.

Lana's ass was bigger than Helen's, bigger and softer. I loved the way it jiggled as I fucked her, loved it so much, in fact, that I came sooner than I had hoped. Still, I had enough time to withdraw before shooting my wad all over her ample cheeks.

Helen drove me back to my apartment where I took a long shower and slept soundly. I showed restraint the following day at work when one of Hardwick's students commented on how difficult his class was. She was a looker, for sure. And I could've easily enticed her with the test papers. But I didn't say a word.

Hell, I was beat.

Helen and Lana had sucked me dry!

Lela and Brooke are at a wild party. The host took them to a private bedroom and was wondering how they would like each other. They did. Lela was removing her top and quickly undressed Brooke. PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

Slurp-lap-slurp-lap . . .

Rover was at it again, visiting his water bowl for the umpteenth time tonight. I was starting to worry about my neighbor's dog. Did he have some sort of kidney malady? I was certainly no veterinarian, but his consumption of water seemed excessive.

And exceedingly loud . . .

Rover's robust lapping carried throughout the house. No room, least of all Ms. Angelo's bedroom, was immune.

I thought about calling my neighbor—she had left me her number in case of an emergency—but didn't want to disturb her. Afterall, she was on a date. I didn't want to needlessly sound the alarm bell. Rover was probably just fine; perhaps his dry food made him thirsty.

I shouldn't have been snooping in my neighbor's bedroom, but I just couldn't help myself. Ms. Angelo was a recently widowed, extremely hot MILF. I lived with my parents next door. When she had asked me to look after Fido in her absence I had jumped at the opportunity. As a student at the local career college, I could sure use the extra cash. Not that money was my primary motivation.

Oh no. Not by a longshot . . .

BLAIR-NTS-09

Having free reign of my neighbor's house was a dream come true. I had been spying on Ms. Angelo ever since she had moved in six months ago. She liked to swim in her backyard pool, swim and soak up the sun wearing a bikini which left little to the imagination. A narrow gap in the wood fencing separating our properties granted me unrestricted access to this sweetest of eye candy.

It wasn't uncommon for Ms. Angelo to go topless when catching some rays. Talk about stacked! Hers was a rack to die for!

Now, unable to restrain myself, I raided my neighbor's bureau drawers. It didn't take me long to find what I was looking for. Ms. Angelo had a nice collection of panties. The difficulty was in choosing which pair I wanted to use. The variety was truly dizzying.

I finally opted for a crimson lace thong. Shucking my khaki shorts with much haste, I sat on the edge of her bed. Then I proceeded to jerk off with the sexy undergarment.

Thankfully, Rover had had his fill of water. No distracting sounds emanated from the kitchen as I closed my eyes and fantasized about my neighbor. I moved her panties up and down my cock, getting harder and harder and harder until . . .

Rover started barking loudly; this a split second before I heard a car pull into the garage. Shit! Ms. Angelo was home early!

I managed to put away my neighbor's panties, pull up my shorts, and meet her in the kitchen as she entered the house.

"I'm so sorry." Ms. Angelo peered into a fashionable clutch. "I don't seem to have any cash . . ."

"That's okay," I told her. "You can pay me later."

Her somber demeanor left little doubt about the date. "He was a total bore," she confessed with shocking frankness. "I excused myself to go to the ladies' room and left him there at the table."

"Life is too short," she said. Fretting over her lack of cash, she set her clutch on the kitchen counter and eyed me cunningly. "Could I interest you in a trade?"

"Wow, Ms. Angelo," I replied, "you actually ditched him in the middle of dinner?"

"Life is too short," she said.

Fretting over her lack of cash, she set her clutch on the kitchen counter and eyed me cunningly. "Could I interest you in a trade?"

"Trade?" I asked stupidly.

"I don't have any money, true. But I do have a pussy in dire need of a big hard cock . . ."

Dog sitting in exchange for sex! Ms. Angelo was talking my language! We migrated to the bedroom. No sooner had we crossed the threshold than she asked me to unzip her cocktail dress. She had worn sexy lingerie for her date: black bra

and panties with thigh-highs and garters. The "total bore" had missed out on something truly special. Well, tough luck. To hell with that asshole . . .

I got undressed in record time. Ms. Angelo knelt before me and, pushing a strand of blonde hair out of her face, proceeded to suck my dick. She gave great head, my neighbor did. I stood there delighting in her topnotch oral talents. She pumped her head, moaning around my member, her mouth working its sloppy magic.

It was then, while she gorged herself on my pole, that Rover entered the bedroom and began to watch us. I didn't mind. Let the dog watch, just so long as he didn't start barking. And anything was better than listening to him drink water. But Ms. Angelo felt differently. Unable to continue under the watchful eye of her canine companion, she apologized and padded across the room to her nightstand.

I watched her open the drawer and produce a brand-new rawhide bone. Rover wagged his tail excitedly as his mother gave him the toy. Then he was vamoosed, taking his treat to some other part of the house.

"Rover sleeps with me," Ms. Angelo explained. "That's why I keep his bones close at hand. He likes to chew them in bed."

"Good to know," I replied.

"Now," she smiled naughtily, "where were we?"

The brief break had done nothing to diminish my erection. My cock was harder than ever. Having removed her bra and panties, Ms. Angelo lay on the bed. Her hands were busy, one exploring her big tits, the other playing her with pussy. I stood there for a few seconds, jerking my prick slowly, before joining her on the bed.

Her MILF pussy was everything I had thought it would be. Tight. Hot. Wet. I fucked her good, ramming my rod home while she raised her knees and writhed beneath me. Her glorious tits shimmied with each of my forceful thrusts. Pardon me for belaboring the point, but they were truly magnificent. And all-natural to boot.

Tight. Hot. Wet. I fucked her good, ramming my rod home while she raised her knees and writhed beneath me. Her glorious tits shimmied...

I was elated when she told me to come on them. Her instructions were perfectly timed as I was mere seconds from popping off. I pulled out and straddled her midsection, holding my prick above her awesome peaks. By the time I had finished they were coated cum.

Exhausted, I dropped beside her and stared at the ceiling. Ms. Angelo lit a cigarette. She offered me a drag, but I declined. Seconds later, Rover was at it again, lapping and slurping to his heart's content.

"He sure does drink a lot of water," I commented.

"It's those rawhide bones" She exhaled a plume of smoke. "They make him thirsty . . ."

AMBER & RED MAGGIE

It is a Very Wet Day.

Red Maggie showed up to Amber's apartment to house clean and quickly tedious chores turned into sexy fun. It didn't take long for Red Maggie to shed her clothes and jump into the warm bath with Amber. Their tongues were soon circling around their wet clits. Then they decided the toys must to be brought into the action.
